#### Souper Tuesday:

Ms. Comeau said 70 people were served at luncheon with 4 no shows. The Lions Club members were servers, First Church sponsored the lunch, and Jr. Women's Club provided the dessert – cupcakes. Ms. Martinik showed the Card used at the reception table to acknowledge the groups assisting with the luncheon.

The question of whether or not people from out of town should be permitted to attend was raised. This issue will be monitored.

#### Picnic in the Park:

Ms. Steptoe said August 25th is the tentative date for the picnic. Date is tentative because church must accommodate parish events. The format for the picnic will include the band. Effort will be made to set a price that reflects the pay, but no performance due to weather cancellation in 2011. Suggestion was made to use a contract this year. In 2011, St. Catherine of Siena Church refunded \$100 for the insurance, For 2012, church may have some resources such as volunteers to assist with the picnic.

Minor changes and steps ahead could include:

An M.C. to encourage audience participation.

- Will talk to Alex about a sing along.
- Check in with FAVARH to get name of the person who does card tricks. He is the parent of a FAVARH
- Would like to invite Father White and Linda Butler so we can thank them in person.
- Will look to local businesses like Kane's for items like hot dogs.
- Sign ups for attendees will be mid July.
- Contact group homes, people with folks at home.
- Will ask CIB and FAVARH to help get word out.
- Need to remind people to come.
- Estimated 100-125 attendees.

#### Senior Center Report:

- Ms. Marschall described the enthusiastic performance of the students from Henry James Memorial School as they did excerpt from Grease II. VIP passes may be used for show.
- St. Patrick's Day program was attended by 110 people.

- Senior Center will be adding a cooking program. Interest has been expressed in a hands on cooking class, not just a demonstration. Plan to have about 10 participants.
- The Communicator ads are going well. Current arrangement on a two-year contract.

New Business:

Donation Letters:

Recent donations from Lions Club of \$400 and an invitation to Women's Club to receive an award on April 10 should provide sufficient monies to fund Soupers for this year. Therefore, no additional letters will be sent at this time.

Mr. Lamontagne asked Ms. Martinik to attend the Women's Club meeting.

NCRMHB

Transportation to recreation programs held at Chrysalis Center will now be available to residents of Farmington Valley. Grants have allowed NCRMHB to obtain vans to transport participants to programs. Vans will be stationed at Avon Baptist Church and a part time staff person is coming on board.

DOT grants for projects between state and local governments are a potential for additional dollars for vehicles.
